WNS-6070-4009 - Hafis - Quad Dial - 21J - Movement View

Case: Gold Electroplate Bezel and Stainless Steel back. The case measuring 36 mm across, 38 mm with the crown, 40 mm lug to lug. Back is marked Bulova, N3 (1973), J722430, Gold Electroplate Bezel and Stainless Steel back. The crown is at the 3 o'clock position.
Dial: A screaming 70s dial with a maroon background. Signed Bulova, 23 Jewels, Automatic. It features a Day and Date window at the unusual position of 4 o'clock. Applied horizontal gold hour markers (at all positions). The hour and minute hands are gold with black and white tips, and the sweeping seconds hand is gold.
Movement: Marked Bulova Watch Co., 11 A0ACB, 23 Twenty Three Jewels and N3.
Strap: 20 mm Hirsch Mustang - Water Resistant - Brown with white stitching and padded - gold toned buckle.
Comments: A blast from the past! A screaming 70s wristwatch with a high quality automatic movement and a dial that gets attention in a dark room - (running fine.)
Item ID: WNS-6070-4085
