J. Brown - English Sterling Silver Pair Case (circa 1799)

Case: Two Cases (Pair), Sterling Silver hallmarked to 1799, button on outer case in excellent working condition, inner case hinges in excellent working condition.

Dial: White porcelain with black Roman numerals (no cracks or chips).

Movement: Beautifully engraved verge fusee movement signed J. Brown, London, N-269.

Comments: This is a super nice working 18th Century Sterling Silver English verge fusee pocket watch. It is in extraordinary overall cosmetic and working order.

Item ID: WNS-PW-6013
