

German Black Forest Cuckoo Clock with Fall Colors - (circa 1950s)

Vintage 1950s large, 8-day, Black Forest cuckoo clock with the three bird style (with red inserted eyes) finished in an Autumn color design. The clock's 8-day movement is a Regula #23 marked G. M. Angem and signed by E. Schmeckenbecher. The time and strike sides of the movement work fine as they should. The pipes are the old wooden style, with recovered bellow tops, the back door of the clock is marked Germany. It measures 17" high x 13" wide x 6" deep.
