**Case:** 42mm across by 55mm lug to lug - Heavy Well-Constructed Polished Stainless Steel Construction. Two Crowns with 'quick set' functions. The screw on rear case features a skeleton back (see through) design and is marked Trias, T21368PR, Germany, All Stainless Automatic Watch, 5 ATM, WR.

**Dial:** Beautiful and Sophisticated Design - White Gloss Background, World Cities on Outer Ring, Rotating 24 hour ring, Date Window at the 3 o'clock position, Power Reserve indicator above the 6 o'clock position. It is marked Trias, and Germany. The hour and minutes hands are the dauphine style, highlighted in black with the upper sections coated in White. The sweeping seconds hand is black colored with a neat circular end. The hour markers are Black Arabic Numerals. There is a 24 hour sub-dial indicator below the 12 o'clock position.

**Movement:** 21 Jewel Automatic.

**Band/Strap:** 22mm Genuine Leather with Stitching around the edges, Black Smooth Texture, Marked Trias, Echt Leder, and includes a chrome buckle that is signed Trias.

**Comments:** This is a super nice World Timer/Power Reserve German wristwatch. It is a large and very desirable piece that not only looks great but works great as well.

**Item ID:** WNS-MDN-5009
