Case: 10K Gold Filled Tank Case measuring 26 mm across, 28 mm with the crown, 38 mm lug to lug. Back is marked 10K Gold Filled. The inside of the case is marked Wittnauer, New York, Geneva, Montreal, Ross and 012681. The crown at the 3 o'clock position.

Dial: A very cool 4 quadrant sectioned dial (silver shades). Signed Wittnauer, Automatic and Swiss. Applied gold Arabic hour markers (at the 12, 3, 6 and 9 o'clock positions), and applied gold arrow shapes at all the other hour positions. Gold hour and minute hands and a gold sweeping seconds hand.

Movement: Marked Wittnauer Watch Co., Inc., Seventeen 17 Jewels, Swiss, unadjusted and AXA.

Strap: IW Genuine Lizard brown with brown stitching and a gold toned buckle.

Comments: Very nice 1950s designed tank watch with ornate Ram's Horn style lugs and a quality Automatic movement - (running fine.)
