Case: The Coin Sliver Case is in superb condition, with a nice engraving on the back cover, and is an 18 size marked Warranted Silver Coin and the number 12 on the back cover and 2 Oz. and the number 12528426 on the dust cover. The crown and bow are located at the 12 o'clock position.

Dial: The dial is in great condition with a white background color highlighted with black colored Roman Numeral hour marker and a large seconds sub-dial with a detailed outer track. The hands are gun metal colored and have a very sleek antique style design.

Movement: A key wind and set movement. The movement is marked Waltham, Mass., A.W.C. Broadway and the serial number 1247019 (which dates the production of this piece to 1878.)

Comments: This antique piece is in super nice overall condition and is nice enough to join any collection or be carried as an everyday timepiece.
