Seth Thomas Clock Company - Scroll and Pillar Clock

Here is an all original Seth Thomas Scroll and Pillar clock that features a nice painted dial and dates from the 1930s.

The solid mahogany and mahogany veneer case measures 16- $\frac{3}{4}$ " high x 9- $\frac{1}{2}$ " (at the widest part of the base) x 4- $\frac{3}{4}$ " deep (at the widest part of the base.)

The dial is signed Seth Thomas and Made in the U.S.A.

The glass door has a printed card with a picture of Philadelphia's Independence Hall.
