Case: Cushion Shaped Stainless Steel Case measuring 37 mm across, 39 mm with the crown, 42 mm lug to lug. Back is marked Elgin and All Stainless Steel. The crown is at the 3 o'clock position.

Dial: A very cool 70s style with a silver background. Signed Lord Elgin, Swissonic and Swiss Made. Applied hour markers (dual color of orange and silver at all 12 positions). Silver hour and minute hands with white center sections and an orange sweeping seconds hand. A date window is at the 3 o'clock position.

Movement: Swiss made Lord Elgin electronic movement.

Strap: 19 mm Genuine Leather and canvas sports style all black with a silver toned buckle.

Comments: Beautiful all around cool looking Lord Elgin - one of my favorite wristwatches to wear and talk about - (running fine.)
