Case: 30 mm across by 37 mm lug to lug - Unusual "Rams Horn" Lugs - Stainless Steel Case Back - Crown at the 3 o'clock position.

Dial: All Original Condition - Bone White Background, marked Continental, Geneva, 17 Jewels and Antimagnetic. The applied hour markers at the 12, 2, 4, 8 and 10 o'clock positions are Arabic numbers, and the remaining hour markers are diamond shape. The minute and hour hands are the dauphin style and a sub-seconds dial at the 6 o'clock position is sunken.

Movement: 17 Jewels Mechanical Wind.

Strap: Brand New, 333, 16 mm Genuine calfskin Leather, Brown Pattern with side stitching and a Gold toned Buckle.

Comments: A scarce Fifties era Swiss Watch with very unusually designed "Rams Horn" lugs - in all around original condition, running fine and keeping good time.

Item ID: WNS-MCTY-3024
