WNS-MCTY-3043 - Hamilton - Rodney - Quad Dial - 18J - Dress Watch - Right Front View

Case: The case measures 34 mm in diameter (36 mm including the crown) and 44 mm lug to lug. The pop off back case is 10K gold filled and marked Hamilton and the lugs are long horned style.

Dial: This dial is a quad style (silver and light silver), marked Hamilton. The applied gold triangular hour markers are gold and at all 12 hour positions. The gold hour and minutes hands are the dauphine style and the gold sweeping seconds hand is a straight and sleek style.

Movement: The mechanical movement is in immaculate overall condition and is marked Hamilton, U.S.A., 18 Jewels, and CY212608 (1954).

Strap: The watch is fitted with a brand new I.W. Suisse, 18 mm Genuine Leather Crocodile pattern with a gold toned buckle.

Comments: This Hamilton Rodney is in all original condition with the original quad dial.
