WNS-MDN-5019 - Seiko - 7T27-6A10 - 22K Bezel - Chronograph - Open Bezel View

**Case:** All Stainless Steel with a Raised Hour Markers on a Rotating Solid 22K Gold Bezel that is covered by a skeletonized stainless steel hinged cover that locks by screwing down the crown at the 4 o'clock position. It measures 43 mm across and 45 mm lug to lug. Two crowns control the chronograph function (they are located at the 10 and 2 o'clock positions.)

**Dial:** Beautiful White Background featuring three sunken sub-dials and a Day window at the 3 o'clock position. It is marked Seiko, Chronograph, Sports 150, Japan 7T27 - 6A2L. The hour and minute hands are black with luminous central sections and the chronograph hand is black with a arrow tip. A 60 seconds timer track surrounds the outer edge.

**Movement:** A high-grade Seiko Chronograph quartz movement.

**Bracelet:** Original full length heavy stainless steel with Seiko folding locking clasp buckle.

**Comments:** A scarce Seiko Premier 7T27-6A10 model that sports a solid gold bezel with domed hour markers (limited edition of only 2,000 ever produced.)

**Item ID:** WNS-MDN-5019
