WNS-CLK-162 – Westerstrands – Swedish Wall Clock – Case Ornaments View #2

Here is a nice looking Westerstrands wall clock that was made in Sweden. It measures 20 inches long and 11 inches wide. The case has some very well done inlays and ornamental applied wood pieces on the front. The dial is signed Westerstrands and Made in Sweden. It has an 8-day movement (time and strike.)

Item ID: WNS-CLK-162
