WNS-VINT-2027 - Waltham - WW2 Hack Set Military - Movement and Back Case View

Case: 32 mm across, 36 mm with the crown, 38.5 mm lug to lug. Round Stainless Steel with screw off back. Case back marked on the inside: Keystone, Base Metal, and 162909. The crown is at the 3 o'clock position.

Dial: A black background color with painted white Arabic numerals, a 60 seconds track around the edge marked: 10, 20, 30, 40, 50 and 60. This watch has the hack set feature (when the crown is pulled out to the first position the seconds hand stops to multiple watches could be set to exactly the same time for military maneuvers). The hour, minute and seconds hands are white colored.

Movement: A 16 jewel mechanical movement, Signed Waltham, U.S.A., 6/0 - B, 16 Jewels, and the serial number 31761233 (which dates the watch to 1944.).

Strap: One piece Military canvas (Army Green color) 18 mm wide with a stainless steel buckle.

Comments: A very nice example of a WW2 U.S.A. Made military wristwatch in fine cosmetic and mechanical condition - (running fine.)
