American Clock Company - Wooden Works - Large and Stunning Tiger Maple Case - Scroll and Pillar Clock - (Circa 1840s)

This is a large and beautiful Scroll and Pillar Clock with a case made from solid Tiger Maple and Tiger Maple veneer wood.

The case measures 30” high x 17-1/4” wide x 4-3/4” deep. There are three brass finials on the top of the case.

The wooded dial is hand painted with Arabic numerals and gold spandrels and decorated circular chapter rings.

The wood movement is an original 1840s thirty hour with hour gongs.

The glass door has a Plantation scene.
