WNS-MCTY-3008 - Breitling - 21J - Auto - Left Front View

Case: 34 mm across by 43 mm lug to lug - 3 Piece Stainless Steel Case with a Screw On Back - Crown at the 3 o'clock position (marked with the Breitling 'B'). The outside of the back cover is marked 188. The outside of the back cover is marked BREITLING AUTOMATIC and has the reference number 7439 22.

Dial: Stainless steel with applied stainless steel hour markers and a stainless steel 'B' above the words BREITLING GENEVE. All 3 hands are also stainless steel. The date numbers are black and are clear with no signs of fading.

Movement: 21 Jewels Automatic Wind - The famous FELSA 629 caliber, marked BIDYNATOR and is correctly signed BREITLING, runs great, and keeps time.

Band/Strap: Brand New, IW brand, brown leather strap with white stitching and a stainless steel buckle.

Comments: A scarce 1950s Breitling with the famous FELSA 629 caliber 21 Jewels movement. It shows minor wear - scratches. Running fine and keeping time. The calendar functions properly and changes at the midnight hour.
