WNS-MDN-5027 - Pearl - Large Square Novelty - Full View with Strap

**Case:** Measures 45 mm square and features a high gloss black bezel with exaggerated Arabic numbers that are marked in gold.

**Dial:** has a mirror (highly reflective) finish (the images show blue and white -- it was a nice clear day outside when I photographed this watch and the mirrored dial captured the sky and clouds perfectly.) The hour and minute hands are gold toned with a neat hollow tipped end and the seconds hand is sleek and gold toned as well.

**Movement:** Quartz movement.

**Bracelet:** The strap is a Genuine Leather with a metallic gold front finish and is 22 mm wide and has a gold toned buckle.

**Comments:** A fashion statement that will stand out in a crowd and a conversation piece.

**Item ID:** WNS-MDN-5027
