400 day clock - circa 1912 - Full Front View**

Here is an all original early disk pendulum 400 day clock made by Jahresuhrenfabrik in Germany. The movement is signed 150750 and Germany and the disk pendulum has the same serial number marking of 150750.

It is 10” high and the round base is 7” in diameter.

The round dial features a white background with Arabic numerals.

Item ID: WNS-CLK-135
